

HR Consultant – Questionnaires & Analyses

Together, we are shaping the future in personnel and leadership development!

WHO WE ARE

atrain is a global consultancy firm with offices in Germany, the US, Hong Kong and Brazil. We support our clients in designing and delivering strategic talent and leadership assessment and development programs globally. The desire to support people in their professional and personal development is essential to what we do. Our sustainable consulting approach is based on a set of principles we strive to apply on a daily basis:

- A focus on long-term relationships with our customers
- The development of customized solutions in close collaboration with our clients
- Promoting innovation and utilizing modern technologies
- True collaboration and mutual support
- Empowerment, coaching and feedback

WHAT WE OFFER

- A rapidly growing and exciting company
- The chance to develop and deliver high-end, cutting-edge products and services
- Work on global projects in intercultural teams
- A great work atmosphere in a young and dynamic team
- Accelerated development through attractive and challenging opportunities

WHAT WE EXPECT

- An academic degree (PhD, Master, Diploma) in Psychology, in particular in the areas of Social Psychology, I/O Psychology, Personality Psychology, Diagnostics
- Excellent knowledge of research methods and extensive experience with quantitative analyses
- Excellent skills in SPSS and Microsoft Excel
- A global mindset and the desire to become part of a culturally diverse team of professionals
- The ability to work independently on complex tasks
- International experience is a plus
- Programming skills (e.g. Visual Basic) are a plus
- Fluency in English
- A sense of humor
