2018 EARLI SIG 5 Conference

August 29th to August 31st at Freie Universität Berlin

*Theme: ECEC 2.0 – Future Challenges for
Early Childhood Education & Care*

We would like to announce that the 2018 conference of the Special Interest Group on “Learning and Development in Early Childhood” (SIG 5) of the European Association for Research on Learning and Instructions (EARLI) will take place at Freie Universität Berlin, Germany, from August 29th to August 31st.

EARLI SIG 5 focuses on learning and development in early childhood from birth to the age of eight years. The aim of the conference is to provide a platform for international collaboration and exchange of ideas, as well as rigorous and evidence-based discussion of early childhood research from both the educational and developmental sciences.
