## EDUCATION

2007 – 2013	<b>PhD in Psycholinguistics/Neurolinguistics</b> University of Thessaloniki Degree conferred: 10/04/2014 <b>Grade:</b> Arista = Excellent  <b>Dissertation title:</b> Argument structure and verb inflection: a comparison between Greek-speaking patients with aphasia and semantic dementia (in Greek)
2003 – 2004	<b>European Masters in Clinical Linguistics</b> University of Potsdam <b>Grade:</b> A (excellent)  <b>Master thesis title:</b> Production of Greek Modal and Negative Markers in Agrammatic Aphasia: A Preliminary Investigation
1997-2002	<b>BA</b> (equivalent, 4 years), Major: Linguistics Aristotle University of Thessaloniki <b>Grade:</b> 7,4 (Very good)

## ACADEMIC PROFESSIONAL EXPERIENCE

From April 2020	<b>Research fellow (research and teaching - permanent academic staff)</b> Free University of Berlin – Department of Education and Psychology – Division of Special Education
April 2019 – October 2019	<b>Lecturer</b> Goethe University Frankfurt/Main – Department of Linguistics
April 2018 – October 2018	<b>Lecturer</b> Humboldt Universität zu Berlin – Department of English and American Studies

October 2014-September 2017     **Postdoctoral Research Fellow**  
 Research Unit „Relative Clauses“ at the Goethe University  
 Frankfurt/Main  
 Connected to project *Comprehending relative clauses* by PI  
 Prof. Markus Bader

Februar 2012 – September 2014     **Scientific assistant (research and teaching)**  
 Goethe University Frankfurt/Main

November 2010 – September 2014     **Scientific assistant**  
 Goethe University Frankfurt/Main  
 Connected to project *Special Subject Collection  
 Linguistics - Bibliography of Linguistic Literature* funded  
 by the German Research Society (Deutsche  
 Forschungsgemeinschaft)

### NON-ACADEMIC PROFESSIONAL EXPERIENCE

Februar 2005 – April 2007             **Editor**  
 Publishing House Patakis (*Dictionary of the Greek  
 Language*)

### PARTICIPATION IN RESEARCH PROJECTS

<b>Project</b>	<b>Principal investigator</b>	<b>Role and Contribution</b>	<b>Funding</b>
A comparative cross-linguistic investigation into the abilities of German and Greek agrammatic aphasics and its clinical implications	PD Frank Burchert, Prof. Dr. Stavroula Stavrakaki	Doctoral fellow: Construction of materials and data collection	IKYDA (grant for cooperation between German and Greek scientists)
Test for Assessing Reference of Time	Prof. Roelien Bastiaanse	Doctoral fellow: Construction of materials, data collection and statistical analysis	ERASMUS exchange scholarship as visiting scholar
Various experiments in co-operation with Prof. Markus Bader on conceptual accessibility on language production in clinical and non-impaired Populations	Co-operation with Prof. Markus Bader	Doctoral and post-doctoral fellow: design of the study concept, construction of materials, data collection and statistical analysis	No external funding

### **Editorship**

During my employment in the project Bibliography of Linguistic Literature I have participated in the preparation of the volumes *Bibliography of Linguistic Literature (2010)*, *Bibliography of Linguistic Literature (2011)*, *Bibliography of Linguistic Literature (2012)*, *Bibliography of Linguistic Literature (2013)* and *Bibliography of Linguistic Literature (2014)*.

### **TRAININGS AND INTERNSHIPS**

01/02/2008 – 30/07/2008      **Internship at the Neuroimaging Center in Groningen**  
Research assistant in ERP experiments under the supervision of Prof. Laurie Stowe

01/10/2002 – 30/06/2003      **Training on the assessment and therapy of learning impairments and developmental dyslexia** (200 hours)  
Centre of Psychological Studies under the aegis of the General Secretary for Adult Education, Athens

### **WORKSHOPS/SUMMER SCHOOLS**

10-14 September 2018      **Statistical Methods for Linguistics and Psychology**,  
University of Potsdam

5th May 2018      **Group therapy in aphasia** (Gruppentherapie bei Aphasie)

Bundesverband Klinische Linguistik Workshop 2018  
(Workshop of the German Federal Association of Clinical Linguistics), Bochum

23th February 2018

**Evidence based therapy of sentence production in aphasia** (Evidenzbasierte Therapie der Satzproduktion bei Aphasie)

19. Wiss. Symposium der deutschen Bundesverband für akademische Sprachtherapie und Logopädie (19<sup>th</sup> Scientific Symposium of the German Association for Academic Speech Therapy)

19-20 August 2017

**Analyzing Eye Movement Experiments using Linear Mixed Models in R**

19<sup>th</sup> European Conference on Eye Movements, Wuppertal

10-11 July 2017

**Introduction to the logic of bayesian statistics** (Einführung in die Logik bayesscher Statistik)

Goethe Research Academy for Early Career Researchers

6 - 8 September 2016

**stem II - Summer Training in Experimental Methods**

Courses: **Eye-tracking, Electroencephalography (EEG/ERP)**, University of Lisbon

18, 19 and 22 May 2015

**Short Course Statistics** (Theory and R), University of Frankfurt/Main

Goethe Research Academy for Early Career Researchers

7 November 2013

**Diagnosis and therapy in primary progressive Aphasia** (Logopädische Diagnostik und Therapie bei primär progressiver Aphasie)

13th Annual Conference of the Society for Aphasia Research and Intervention

30 March – 3 April 2009

**Training School in Language Acquisition Methods**, COST (European Cooperation in Science and Technology), Berlin

## **SCHOLARSHIPS**

1st November 2006 – 30th May 2010

Scholarship from the Greek State Scholarship's Foundation (I.K.Y) for doctoral research in Speech Therapy (after exams), Contract number: 4947, (budget: ~ € 14.440)

30 March – 3 April 2009

Scholarship for attending the COST (European Cooperation in Science and Technology) Training School in Language Acquisition Methods, Berlin

1st February 2008 – 30th July 2008

Exchange Scholarship (ERASMUS) as a visiting PhD student in the University of Groningen

January 2004 – March 2004

Exchange Scholarship from the DAAD (Deutscher Akademischer Austauschdienst) for studying in the

University of Groningen (the Netherlands) in the frames of  
the European Masters in Clinical Linguistics

October 2001 – February 2002

Exchange Scholarship (ERASMUS) as undergraduate  
student in the University of Potsdam

## **PROFESSIONAL SKILLS**

### **Data collection experience (offline)**

- Sentence elicitation with visual stimuli (pictures and videos)
- Sentence repetition
- Sentence picture matching
- Grammaticality and acceptability judgements
- Spontaneous speech analysis

### **Data collection experience (on-line)**

- Eye-tracking
- Event Related Potentials

### **Experience with statistical methods**

- Parametric tests (t-tests)
- Non-parametric tests (Wilcoxon, Mann-Whitney)
- ANOVAs
- Generalized Linear Mixed Models
- Correlations
- Tests for case studies

### **Software**

- **Statistics:** R, SPSS
- **Experimental software:** SR Research Experiment Builder (Presentation software for EyeLink Eye-trackers), EyeLink Data Viewer, DMDX
- **Other Software:** Audacity, IrfanView, Aachener Sprachanalyse (ASPA)

### **Computer skills**

- Office
- OpenOffice
- LaTeX

## **TEACHING AND SUPERVISION**

### **Teaching**

- Introduction to Aphasiology (BA Linguistics, University of Frankfurt/Main, summer term 2012)
- Lexicon (MA Linguistics, University of Frankfurt/Main, winter term 2012-2013)
- Introduction to Psycholinguistics and Neurolinguistics (BA German Language and Literature, University of Frankfurt/Main, summer term 2013 and 2014)
- Acquired Syntactic Disorders (MA Linguistics, University of Frankfurt/Main, winter term 2013-2014)
- Morphological and syntactic disorders in English (Department of English and American Studies, Humboldt Universität zu Berlin, summer term 2018)
- Introduction to R (BA Linguistics, University of Frankfurt/Main, Summer term 2019)
- Multilingualism: foundations, diagnostics and language promotion (BA Special Education, Free University of Berlin, Summer term 2020)

As guest lecturer:

- 1) Lecture at the Master's program: *Language disorders and educational intervention* in the Department of Italian Language and Literature in the Aristotle University of Thessaloniki (also responsible for a part of the exam)
- 2) Lecture at the master's program *Interdisciplinary approach to developmental and acquired language disorders* in the Department of Speech and Language Therapy, Technological Educational Institute of Epiros

### **Bachelor and Masters Theses Supervision (as second advisor)**

#### **MA-Theses**

- Specht, L. Individual differences in the detection of semantic anomalies (Summer Term 2017)

#### **BA-Theses**

- Hansmann, V.-L. Experimentelle Untersuchung zur Diagnostik und Therapie bei semantischer Dysfunktionalität – eine Einzelfallstudie (Experimental investigation on diagnosis and therapy of semantic deficits – a case study), Summer Term 2017
